## Waddow Hall Trust

### Waddow Hall Trust Aims to Raise £5 Million through new Fundraising Campaign

We at Waddow Hall Trust are embarking on an ambitious fundraising campaign with a lofty goal: to raise £5 million. This monumental sum will enable us to preserve and enhance this invaluable heritage site for the benefit of future generations. The funds will be allocated towards the initial purchase of Waddow Hall and essential restoration projects, such as the maintenance of its remarkable architecture and the preservation of its rich history. Additionally, the campaign will support the development of innovative educational programmes and community initiatives, ensuring that Waddow Hall continues to serve as a beacon of inspiration and learning. Join us in this endeavour, as we strive to protect and transform this cherished estate into a flourishing hub of heritage, culture, and education. Together, we can secure a bright and sustainable future for Waddow Hall.

*In the event that we do not raise sufficient funds from our various fundraising avenues to purchase Waddow Hall then any funds raised from this fundraising campaign will be held by Waddow Hall Trust and distributed by way of grants to youth groups, schools and adult social groups to allow them to undertake the kind of residential / activity day at another venue that they would have enjoyed at Waddow Hall in the past. In the event that the Trust is wound up , any remaining funds will be transferred to a charity (charities) with similar aims and objectives.*
